- Coffee to Go furniture range

Areas of use

- Offices
- Factories and workshops
- Stores
- Business premises
- Studios

Recommended maximum daily output
30 cups

The successful automatic machine for the office is now even more perfect. The WE8 now prepares a total of 16 different specialities at the touch of a button. It now offers macchiato, espresso doppio, special coffee and hot water for green tea at the touch of a button.

Wherever customers, staff and visitors can enjoy superlative coffee, the atmosphere is relaxed, communicative and productive. Anyone who appreciates the finer things in life, a wide choice of speciality coffees and aesthetics will love the WE8. A water tank with a 3 l holding capacity, a bean container for 500 g of coffee beans and a coffee grounds container with a capacity of 25 portions make the elegant professional coffee machine the ideal solution for locations where around 30 speciality coffees are consumed per day. Innovative technologies revolutionise the enjoyment of coffee. The One-Touch function creates trend specialities like latte macchiato, flat white or cappuccino very simply at the touch of a button. Buttons on the front of the machine and a modern 2.8" colour display make operation incredibly simple even for inexperienced users. The clean, linear design, accentuated by sections in the elegant Chrome, make the WE8 the highlight in any kitchen.
